Is a medical exam required?

You must complete our short-form application. This form includes only a few medical questions and asks for your height and weight. If we find no further medical information is needed upon review of your application, then you're done! It's as easy as that. It's a simplified way to apply for life insurance coverage. If you can answer no to a few medical questions, that application could be all that is needed.

Satisfaction Guaranteed

You may return your Certificate of Insurance within 30 days if you are not completely satisfied with the coverage this Plan provides. Any premiums paid will be fully refunded provided no claims have been submitted or paid.

Convenient Payment Options

Automatic Monthly Check Withdrawal: Choose to have your premiums automatically deducted from your checking account on a monthly basis. Direct Bill: Choose to have your premiums billed to you directly on a quarterly, semiannual or annual basis.

Accelerated Life Benefit[1]

The Accelerated Life Benefit option is available to help terminally ill insureds during a difficult, and often financially challenging, time. Under this provision, you may request one advance payment equal to 80% of your in force life insurance up to $40,000 to be paid while the terminally ill person is still alive. The amount of insurance payable after death will be reduced by this payment. (Premium contributions will not be reduced.)

Are there any exclusions to my coverage?

Yes. Benefits will not be paid if the member's or dependent's death occurs from suicide within the two years of the effective date of their insurance or increase in insurance starts. The Accelerated Life benefits are subject to additional exclusions. Please see your certificate for details.

How long can my coverage continue?

Your coverage can continue as long as you pay your premium when due, remain in an eligible class, the insurance continues for your class, and the group policy remains in force. Please see the certificate of insurance for details.

1. The Accelerated Benefits Option is subject to state regulation and is intended to qualify for favorable federal income tax treatment, in which case the benefits will not be subject to federal income taxation. This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances. Receipt of accelerated benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of accelerated benefits will have on public assistance eligibility for you, your spouse or your family.
2. The group contract provides MetLife with the right to adjust the rates and/or the rate guarantee period should overall group participation change significantly.
3. Will Preparation and MetLife Estate Resolution Services are offered by MetLife Legal Plans, Inc., Cleveland, Ohio. In certain states, legal services benefits are provided through insurance coverage underwritten by Metropolitan General Insurance Company, Warwick, Rhode Island. Tax Planning and preparation of Living Trusts are not covered by the Will Preparation Service. Certain services are not covered by Estate Resolution Services, including matters in which there is a conflict of interest between the executor and any beneficiary or heir and the estate; any disputes with the group policyholder, MetLife and/or any of its affiliates; any disputes involving statutory benefits; will contests or litigation outside probate court; appeals; court costs, filing fees, recording fees, transcripts, witness fees, expenses to a third party, judgments or fines; and frivolous or unethical matters.
4. Grief Counseling and Funeral Assistance services are provided through an agreement with TELUS Health. TELUS Health is not an affiliate of MetLife, and the services TELUS Health provides are separate and apart from the insurance provided by MetLife. TELUS Health has a nationwide network of over 30,000 counselors. Counselors have master's or doctoral degrees and are licensed professionals. The Grief Counseling program does not provide support for issues such as: domestic issues, parenting issues, or marital/relationship issues (other than a finalized divorce). For such issues, members should inquire with their human resources department about available company resources. This program is available to insureds, their dependents and beneficiaries who have received a serious medical diagnosis or suffered a loss. Events that may result in a loss are not covered under this program unless and until such loss has occurred. Services are not available in all jurisdictions and are subject to regulatory approval. Not available on all policy forms. In some cases a medical exam may be required (at no cost to you). When you apply, simply answer the health questions. Depending on the amount applied for, a paramedical exam and blood test may be required, which will be scheduled at your convenience. Even if you have a health condition, you still may qualify.

All applications for coverage are subject to review and approval by MetLife. If you choose to apply for increased coverage, the increase may be subject to underwriting. MetLife will review your information and evaluate your request for coverage based upon your answers to the health questions, MetLife's underwriting rules and other information you authorize us to review. In certain cases, MetLife may request additional information to evaluate your request for coverage. Coverage will be effective in accordance with the applicable policy and certificate after approval by MetLife.

Coverage may not be available in all states. For more information, please contact your plan administrator, AMBA, at 1-866-810-9451 or by email at: customerservice.service@getamba.com.

This is a summary of benefits only. A complete description of benefits, limitations, exclusions and termination of coverage will be provided in the certificate of coverage. All coverage is subject to the terms of the group policy. If there is any discrepancy between this document and the group policy documents, the policy documents will govern.

Wherever the term spouse appears will read as Domestic Partner throughout the plan summary.

All insurance and insurance effective dates are subject to final underwriting approval.
